

A contrasting UK locality – Llandudno

What do we expect Llandudno to be like?

To do these tasks you need to use the Internet website called **MapsDirect**.

- 1 Imagine you are going to stay in **Llandudno**. Under *Locate map area*, click on *Postcode* and type in LL30 2BB
- 2 Zoom to *Scale* 1:2000. Click on *Go*. You should see a map showing West Parade.
- 3 Choose a hotel and write down its name. Click on *Floodfill* and on the hotel to colour it.
- 4 Use the map to describe what there is on the other side of West Parade.
- 5 Zoom to scale 1:10000 to show the area around the hotel. Make a list of the features you can see on the map.
- 6 Zoom to scale 1:15000 to show a larger area. Make a list of new features you can see on the map.
- 7 Click on *Pan*. Click and hold near the middle of the map and pull it down and to the right. You should now be able to see Great Orme. Make a list of the features labelled on the map e.g. tramway.
- 8 Write a description of Llandudno so a visitor would know what there was to see and do.
- 9 Return to your hotel. (You can use *Pan* or type in the postcode).
- 10 Zoom to scale 1:25000. Tick any features you can see on the map.

Sea	Motorway
Beach	'A' Road (s)
Woods/forest	'B' Roads
Hills/mountains/moors	Streets
Houses	Railway Station
Parking	Sports centre, playing field
Camp/caravan site	Ancient site
Swimming Pool	Farmland
Golf course	River, lake

Buildings

- 11 Make a list of the buildings marked on the map e.g. TH = Town Hall
- 12 Use *Pan* to see different parts of the town.
- 13 Add any new features to your tick list of features (Question 9) and to your list of buildings (Question 10)
- 14 Built-up areas are shaded. What colour are they shaded?
- 15 What sort of buildings do you think will be in these areas?
